

**City of Lakewood**

February 1, 2010

Letter of Reference: Scott Nichols and Atlantis Pool Plastering, Inc.

To whom it may concern:

Scott Nichols and Atlantis Pool Plastering provided swimming pool plastering services for the City of Lakewood's Green Mountain Recreation Center Indoor Pool in the spring of 2009. Serving in the capacity of Recreation Aquatics Supervisor for the City of Lakewood, I had extensive contact with Scott Nichols and the entire Atlantis Pool Plastering team. I would rate Atlantis among the very best of the many professional pool services I have worked with over the past twenty years. The cooperation, responsibility, and workmanship they demonstrated were consistently praiseworthy. Scott and his crews rendered a high level of integrity, courtesy and work ethic that are all too often lacking in today's service providers.

I highly recommend Scott Nichols and Atlantis Pool Plastering, Inc. Atlantis has proven to be a highly dedicated and responsible organization in every phase of my contact with their firm. Committed and dependable, these are the type of individuals that people enjoy working with. I would be happy to discuss any questions you might have. I can be reached at (303) 987-7840 during the day.

Sincerely,

Cris Radic  
Recreation Supervisor  
Lakewood Recreation
